

KNOW YOUR TRAFFIC LAWS

Seat Belts Urged for Driver Safety

On June 29 and 30, the Torrance Safety Council and the Torrance Junior Chamber of Commerce will hold a voluntary Vehicle Safety Check and Seat Belt Clinic in front of the Bank of America at Hawthorne Boulevard and Sepulveda.

At no charge you can receive a 10-point vehicle check and any defects found will be called to the owner's attention.

If your vehicle passes all 10 points you will receive a sticker for your windshield showing that you joined the Circle of

Safety. At the same time and place in just a matter of minutes you can have installed in your vehicle seat belts at only \$6 per belt, plus tax. What better protection could you buy for your family at only \$6 per person.

ONE HAS only to consider the recent 500 mile race run at Indianapolis to appreciate the value of good mechanical

condition coupled with safety factors such as the seat belts worn by all drivers in the race. These racers could never run at the speeds they do and as safely as they do were it not for A-1 mechanical condition.

Were it not for the seat belts or shoulder harness worn by those drivers who hit the wall many of those accidents could have been fatal and most would have caused serious in-

jury. Each year in the racing profession harnesses worn by drivers have proven over and over their worth as a safety factor.

You owe it to yourself and family to do all in your power to protect them. You can do this by joining the Circle of Safety June 29 and 30 when you have your car inspected and install seat belts. The life

you save may be your own or a loved one.

Canadians celebrate the birthday of their confederation on Dominion Day, or Canada Day, July 1. The British North America Act, which created the Dominion of Canada, was proclaimed on July 1, 1867.
